

# Different Now

*Different Now*

Verse 1:

*D* *G*  
When all I used to know,  
*D* *A*  
Just melts away like dew,  
*D* *G*  
In the midst of my pain and my  
sorrow,  
*Em* *A*  
I trust in You

Verse 2:

*D* *G*  
When fears would grip my heart,  
*D* *A*  
When oceans start to roar,  
*D* *G*  
When mountains crumble all  
around me,  
*Em* *A*  
I cling to You

Pre-Chorus 1:

*G*  
Then You make me see,  
*D/F#*  
The way You see me,  
*Em* *A*  
And I know I'll overcome

Chorus 1:

*G* *D/F#*  
I'm different now, so different now,  
*Em* *A*  
Now I'm brave because You love  
me,  
*G* *D/F#*  
And I'm different now, very different  
now,

*G* *A*  
Cause Your love helps me to see  
*D*  
beyond my dreams

Verse 3:

*D* *G*  
All I had I count as loss,  
*D* *A*  
For Your grace is all I need,  
*D* *G*  
Your strength and story in my  
journey,

*Em* *A*  
Your tapestry

Verse 4:

*D* *G*  
Your peace now fills my heart,  
*D* *A*  
As I step beyond this shore,  
*D* *G*  
I know You'll catch me through it  
all,

*Em* *A*  
And now I soar

Pre-chorus 2:

*G*  
Cause You let me see,  
*D/F#*  
The way You see me,  
*Em* *A*  
And I know You're here with me

Chorus 2:

*G* *D/F#*  
I'm different now, so different now,  
*Em* *A*  
Now I'm free because You love me,
